

REMARKS

Claims 1-23 are now pending in the application. A minor amendment has been made to independent claim 21 to correct for a lack of antecedent basis for the "transmit antenna" limitation. It is respectfully requested that the present amendment be entered before the concurrently filed Appeal Brief is given consideration by the Board of Patent Appeals and Interferences.

If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
